

# Building Community Wealth in **Mid Fife and Glenrothes**

# Our Model

The **Coalfields Regeneration Trust** is a community wealth building charity with a successful track record of delivering impactful regeneration work since 1999.

Scotland's coalfields cover a large geographic area and have a combined population of approximately 554,000 people.

In order to maximise our impact, we focus our charitable activities on the 30% most deprived communities using the Index of Multiple Deprivation.

**Through Scottish Government funding we deliver programmes in Scotland's Coalfields communities that address our 5 missions of community, health, skills, jobs and climate.**

Our property development subsidiary **CRT Property** builds industrial units for SMEs – creating jobs and economic growth in coalfield communities.

**CRT Property**'s taxable profits are re-invested through the **Coalfields Regeneration Trust** charity and our partners into tackling social and economic challenges in local communities.

We want to roll out our successful model of building industrial units for SMEs to create jobs and economic growth in Scotland's coalfield communities.
