Coalfields Community Grants - Wales

Guidance Notes

The Coalfields Community Grants Programme in Wales can award grants from £500 up to £7,000.

This programme is for community and voluntary organisations that can clearly demonstrate that a grant will impact positively on people living in the former Coalfield communities of Wales.

Grants will be awarded for projects that can be completed within 12 months and can identify clear positive and measurable outcomes.

Please note: We accept application materials in English or Welsh. Application materials are available in Welsh, if you require a copy please contact us.

Noder: Rydym yn derbyn deunydd cais yn y Gymraeg neu'r Saesneg. Mae deunydd cais ar gael yn y Gymraeg, cysylltwch â ni os ydych am gopi.

Themes

Projects will need to meet one or more of the following themes to be eligible for support from the Community Grant Programme Wales:

- **Job creation and employment support** – projects that create new sustainable jobs within the community, or support people into work, including addressing barriers to work such as childcare or transport.
- **Social enterprise development** - projects that support the start-up, growth and development of social enterprises.
- **Skills and training** - projects that develop skills for people or provide qualifications.
- **Community buildings** - improvements which includes projects that reduce the energy costs of community buildings or reduce the carbon footprint of the building.
- **Tackling poverty** - projects that work with the most vulnerable people in Coalfield communities to alleviate the effect of poverty.
- **Health and wellbeing** - projects that improve the quality of life for people living in Coalfield communities with health problems, or projects that prevent negative impacts on health and well-being.

Eligibility

Your project must be based in an eligible coalfield community or be able to show clear and immediate benefits for an eligible coalfield community.

Projects must demonstrate how they will benefit the wider community. Projects must benefit the wider community and an organisation's members should not be the only beneficiaries.

Eligible Project Costs:

- Refurbishment costs
- Purchasing equipment
- Training
- Rent/Venue hire for the project
- Promotion and marketing costs
- Staff costs
- Insurance for the project
- New activities, services or products for social businesses.

Coalfields Community Grants - Wales

Because we are a Charity - The Coalfields Regeneration Trust must comply with Charity Legislation and Charity Commission guidance and cannot fund any project that will place us outside such legislation and/or guidance.

Not eligible to receive support:

- An organisation can only hold one grant in any 12 month period.
- The grant request is for a contribution towards a larger project with costs in excess of £100,000.
- Project costs that the Trust has funded previously through the Community Grant or Bridging the Gap programmes (more support for the same activity or beneficiary group).
- Organisations with total unrestricted income above £250,000 per annum.
- Individuals, private business, statutory bodies.
- Parish, town or community councils.
- “Friends of groups” where the end beneficiary will clearly be a statutory body.
- The activity cannot be a statutory responsibility or replacement of statutory provision.
- National organisations who do not have a registered office in Wales or an organisation not established in the UK.
- Projects set up to promote religious or political beliefs.
- Funding required to exclusively draw down landfill tax credits.
- Organisations that we believe are in a poor financial position or whose financial management systems are not in good order.
- Organisations without an appropriate governing document.

Application Process

There are 2 stages in completing a Community Grant application.

Enquiry

At the stage you must complete and submit an Enquiry Form. On receiving your Enquiry Form we will review it and give you feedback within 10 working days.

We will use the Enquiry Form information to determine if the project fits with the Coalfields Community Grant priorities and appears to be eligible for CRT funding. We will contact you and update you on the outcome of the Enquiry Form review. If we think we are unlikely to fund your project, we will explain why.

Application form

If we think that we could support your project, we will provide you with an application form. Progress to the application stage does not mean a decision has been made to give a grant. We might also suggest that you provide further information on community need, evidence of demand or to send other information with your application form. If you decide to apply you will have up to 3 months to complete the application form along with any additional information we ask you to complete.

As part of our assessment of the project we will assess whether a grant would breach European State Aid rules. This may require us to ask you for further information on your project, organisation and other funding received to date. Further information on the State Aid assessment and European State Aid rules is available on our website (www.coalfields-regen.org.uk/wales).
